Katy Youth Football® *Partnership Opportunities*

Our Mission

Our mission is to prepare our student-athletes for life beyond the playing field. We teach the fundamental building blocks for success by providing a sound, structured environment for our youth to participate in football and cheer programs that focus on safety and promote sportsmanship.

Our Foundation & Core Values

Katy Youth Football® is a relationship-based and mission-driven organization that promotes youth and family development, education, social interaction, and active & healthy living in an atmosphere that harbors the development and sustenance of lifelong friendships. Through football and cheer, we strive to teach our student-athletes teamwork, courage, honor, sacrifice, persistence, discipline, and respect for authority. We expect our board members, coaches, and volunteers to model these values and to lead by example.

- KYF® is a pillar of the Katy Community. For more than 44 years, we've been "Doin' it for the Kids" and positively impacted the lives of countless families.
- KYF® brings children and families together. We connect people of all ages, ethnicities, and backgrounds through the experience of playing American Football.
- KYF® fosters development. We teach our coaches to nurture all participants' skills, confidence, and courage to help them realize their full potential.

Our History

As Katy's oldest youth football program, KYF® has always been a nonprofit organization committed to helping people and bringing families together. KYF® works closely with the Katy Independent School District to ensure alignment of our league's goals with the best practices for teaching our student-athletes fundamental techniques with a core focus on scholastic education. KYF® has a rich history of serving the Katy community, and as we look back on our many achievements over the last 44 years, we are inspired to continue on to even greater success by continuing to instill proper values in the communities we are privileged to serve.
