

2019 Katy Youth Football®

Invited Player Application

This season, Head Coaches may invite players who have NEVER registered for a KYF® Fall Program to join their team. The maximum number of Invited Players is defined by division below. Please use this form to notify the league of a player invited to your team for the 2019 Fall Season. Submission of this form does not guarantee placement, it only begins the verification and validation process.

All invitations will be first verified by the Division Director. Approval by the KYF® VP Football Ops and the KYF® VP Registration is then required for an invited player to be assigned to your team.
